W. E. Sheely Called by Death In Springfield

William E. Sheely, 68, Springfield, former Greene countyman, died at Springfield City hospital last Thursday at 2:20 p. m. following an operation performed that morning. He had been in failing health a year.

The son of Mr. and Mrs. A. R. Sheely, he was born in Adams county Sept. 4, 1878, but resided most of his life near Cedarville and in Ross township. He was a well known melon grower and gardener throughout this area and for many years operated a greenhouse near Grape Grove. He had recently made his home with his son-in-law and daughter, Mr. and Mrs. Harley E. Donnelly, 320 North Light street, Springfield.

Besides his daughter, he is survived by a son, George, near Cedarville; a brother, Walter, Dayton; and a granddaughter. His wife, Zella Miller Sheely, died in February, 1937.

Services were Sunday at 2 p. m. at the home of George Sheely, near Cedarville. Burial was in Grape Grove Cemetery.

Osborn Man Sues for \$398 In Damages

Carl Schaffer, 3020 W. Third street, Dayton, was named defendant in a suit filed Saturday in common pleas court by Melvin C. Chaney, Osborn, R. R. 1 seeking damages of \$398.08.

The action is based on an accident last Dec. 18 on Route 4, near the Greene-Clark County line involving an auto owned by Chaney, driven by Helen Chaney, and a tractor-trailer operated by Schaffer. According to the petition the trailer collided with the Chaney auto then swerved into the Chaney yard and struck the plaintiff's house.

The amount sought represents \$240.11 for damages to the Chaney auto and \$157.96 for damage to the house. Herman O. Abeler, Springfield, is counsel for the plaintiff.

METHODIST BROTHERHOOD
Mrs. Miriam Young, a Methodist missionary of China, now on tour of the United States, will be the guest speaker at the Greene-Fayette Methodist Brotherhood meeting in the First Methodist Church at Jamestown on Monday, April 21, at 8 p. m. The host church is to provide the musical part of the program and refreshments.

BASEBALL MEETING
It has been announced that there will be a baseball meeting at the park Sunday afternoon at 2:30. All those interested in playing this summer are asked to attend.

When you give for cancer education, service, and research, you help your doctor help you. Help yourself and those you love. Give to conquer cancer!

Linder to Be Heard on Air

"World Trade Treaties" will be the subject of a round-table discussion on the Fact Finder's Forum Sunday, April 20, at 3:00 p. m. over WING, Dayton.

Tom Linder, commissioner of agriculture for the state of Georgia, and R. J. Nelson, general export manager of the Master Vibrator Company, Dayton, will be the principal speakers.

On Sunday, April 27, topic of the Fact Finder's Forum will be "County Planning". Speakers have not yet been announced.

FHA Advises Investigation Before Buying

Families in search of a home for their own were advised today by District Director A. L. Guckert at the Columbus, Ohio office of the federal housing administration to investigate before they buy, no matter how urgent their need—or let FHA do the investigating by applying for an FHA insured mortgage to finance the transaction.

"Buying or building a home is perhaps the largest investment a family ever undertakes," Mr. Guckert said. "The family's future happiness and success depend largely upon the suitability of this investment."

It was pointed out that FHA weighs all known factors of risk in a case before making a commitment to insure the mortgage. There are five major aspects which are carefully considered:

1. The structure and lot on the mortgage is placed. The house should be well designed, soundly constructed, and located on an adequate lot.
2. The neighborhood in which the property is located. It should be free from nuisances, provided with adequate utilities and facilities, and accessible to church, school, shopping center, and places of employment.
3. The relation of the property to the neighborhood. It should be fit into the neighborhood in general design, price range, and other respects.
4. The borrower and his relationship to the transaction. The property should be suitable to the family's need and the monthly payment should not be too large for the family's budget.
5. The mortgage "pattern," or the terms of the proposed transaction. All major factors in the case should be in reasonable relationship to one another.

All real estate loans have a degree of risk, Mr. Guckert said. When this hazard is recognized, prospective home buyers appreciate the value of FHA's insured mortgage system which provides opportunity for both borrower and lender to ascertain what a good mortgage must be. The first principle of a good mortgage, he said, should be that it is drawn in the best interest of both borrower and lender.

At least 700,000 persons in the U. S. are suffering from cancer. Of this number more than 180,000 will die this year.

Jackets Face Findlay in Opener Here

The Yellow Jackets of Cedarville college will open their 1947 baseball season this afternoon (Friday) on the local diamond at 3:30 when they will entertain Findlay college.

Although the batting order for the local team is still undecided, the probable starting lineup will be as follows, Coach Beattie has stated:

Huffman, 1b; Dunlap, 2b; Trout, ss; Farmer, 3b; V. McNulty, lf; Barger, cf; B. McNulty, rf; Barton, c.

Coch Beattie also stated that Marcus Townsley, former Cedarville high school mound ace, will in all probability get the pitching assignment.

"Defensively we will be pretty good, but so far the boys haven't shown too much ability with the stick," the local coach said when asked how the team was shaping up.

Aside from Townsley, pitchers on the squad are Judy, Watkins, Weimer, French and Wheaton.

Others members of the squad include Irvin, Clark, McNeil, Sisson, Jewell, Brailley, Brewer, Morrison, Ball and Ulrich.

On Monday the Jackets will play host to Wittenberg and then next Friday will make their first appearance on foreign soil when they travel to Columbus to play Ohio State university JV's.

Bill by Fess Is Passed

A bill to increase compensation and expense allowances of common pleas judges holding court by assignment in other counties, sponsored by Greene county's Rep. Lowell Fess of Yellow Springs, has passed the house 107-9 and is now being considered by the state senate judiciary committee.

Under present law, common pleas judges receive \$10 daily plus \$6 for all actual and necessary expenses when presiding as non-resident judges. The Fess bill would restore the compensation to \$20 and expense limit to \$10, as allowed in former years. The higher cost of living was given as the basic reason for the legislation.

League of Ohio Sportsmen Start on Conservation Motion Picture of Ohio

Whole-hearted approval of the League of Ohio Sportsmen's visual education program to conserve and restore Ohio's natural resources was voiced today by Governor Thomas J. Herbert.

"It is time that something be done to drive the seriousness of this problem home to the people of the state," Governor Herbert said, "and I believe the motion picture project of the League of Ohio Sportsmen is a start in the right direction. The venture deserves the whole-hearted support of every citizen who prides himself as being a resident of the state."

The League of Ohio Sportsmen, through its non-profit subsidiary foundation, "Tomorrow, Inc.," has launched a drive for funds

Special Beaver Election Canceled

Beaver Creek township school board, meeting recently decided against a special election this summer to provide additional funds for expansion of the overcrowded Dayton pike school building.

A spokesman for the board said that a \$60,000 bond, issue voted for the expansion in November, 1945 but found to be less than half the amount needed now for the construction work, would be used for that purpose later.

Meanwhile, the board discussed temporary measures for the inadequate classrooms next fall. A special election, scheduled June 6 for \$65,000 extra in bonds, will be canceled.

5 Injured in Area Accidents Over Weekend

Three accidents caused five injuries in this area over the weekend.

In critical condition at Springfield City Hospital was Clayton Walter Cook, 27 of Yellow Springs, who suffered a fractured skull, brain concussion and broken wrist when the new motorcycle he was riding got out of control and overturned just north of Husted on Route 68 about 1:15 p. m. Saturday. Witnesses said the cycle skidded 150 feet on the pavement.

Henry H. Evans, 61, also of Yellow Springs, received minor abrasions in a second accident on Route 68, a mile south of Springfield, at 3:40 p. m. Saturday. State highway patrol officers said the accident occurred when the car in which Evans was a passenger with his son, James, 27, driving, rammed into the rear of a car operated by Louis W. Riffle, 29, of Gallipolis.

Three Daytonians were hurt, one seriously, when an auto crashed into the rear of a halted Cincinnati and Lake Erie bus Sunday on Route 4 at the Yellow Springs Rd. intersection, the state patrol said.

Luther Johnson, 35, of 2163 E. Third St., Dayton, driver of the car, suffered a fractured knee and ribs, face cuts and possible internal injuries. Omra R. Botts, 50, of 2117 Blake Ave., Dayton, had body bruises and Miss Irene Robinson, 26, of 27 Springfield St., Dayton, suffered head cuts. Both were riding the auto. The injured were taken to Miami Valley Hospital, Dayton.

which will be used to produce and distribute a sound, color motion picture showing what has been done, and the vast amount of work remaining to be done, to conserve and restore the soil, water, forests, minerals and wildlife of the state.

The picture will be 12 months in the making, which will enable the producers to depict all seasons of the year. After its completion, the film will be released to schools, churches, granges, civic clubs and, in fact, any and all groups in the state. It is estimated that the picture will be seen by more than 3,000,000 persons within a year from the time of its completion.

Commenting on the picture, R. Hoxey Wick, of Jackson, president of the League, said: "The final script before production

Work on Building At College Begun

Work on the erection of the government surplus building on the Cedarville college campus was scheduled to get under way this week, according to an announcement made by President Ira D. Vayhinger.

The building which was one of the surplus buildings at Patterson field, is being erected near the ball diamond on the campus and is to be used for study rooms and student union building.

Jacket Cagers Feted in Xenia

The Cedarville college basketball team along with the Xenia Central cagers were honored at a dinner Wednesday evening by the Cooperative club at Geyer's restaurant in Xenia. Paul Huston, twice captain of Ohio State basketball teams and only four letter winner in the history of the Buckeyes, was the principal speaker. Huston was a member of the 1942 Xenia Central state class A championship team.

Draft Boards In County to Fold May 31

Greene County's two selective service boards received notice to cease operations May 31.

Dr. H. C. Messinger, Xenia, chairman of city-township board No. 1 said his letter, from Col. C. W. Goble, state head of the draft, informed him local records would be picked up on that date and probably transferred to Columbus, expected to be a records depot.

The federal selective service act expired March 31 and with it went laws requiring the registration of all men 18 years of age and older. However, both local boards, the other covering Greene county, have been bringing records up to date, preliminary to closing.

Clerks of the two boards will also be released from the selective service payroll May 31, of officials said.

Board No. 1 is located on the second floor of Xenia city hall and City Manager G. D. Ackerman was informed by Dr. Messinger Friday that its room would be vacated June 1. Board No. 2 occupies a room in the Home Federal Savings and Loan association building.

Greene County Gets \$67,000 In Tag Money

The initial distribution of \$115,425,952 in auto license fees to counties and municipalities in Ohio was started Monday, according to an announcement made by Edward T. Fogo, registrar of motor vehicles.

The warrant forwarded to the state auditor for issuing of the individual warrants to the county auditors, which will be accomplished in the next few days was made approximately ten days earlier than in 1946, according to Mr. Fogo.

The registrar also pointed out that this year's initial distribution is the largest in the history of the bureau, exceeding last year's initial distribution by \$1,500,000.

to fore all pictures made of the state have been of the 'impression' type, showing what a grand state Ohio is. Our picture is going to be different. You'll see some things that will fairly make you gasp and you'll say to yourself 'That can't happen in Ohio.' But it has, and is still happening. On the other hand some of the nice things will be shown, too. Our real object is to make people stop and think and look into the future, hence our name—Tomorrow, Inc."

The film will be recorded by one of the best color photographers in the country and the story will be collaborated upon by several cop-notech men and women. Louis Bromfield, internationally known author, will "touch up" the final script before production

STATE OF OHIO Executive Department OFFICE OF THE GOVERNOR Columbus

PROCLAMATION CONSERVATION MONTH—CONSERVATION WEEK AND ARBOR DAY 25 APRIL 1947

WHEREAS, the State of Ohio was once richly endowed with the natural heritage of vast acres of productive, fertile top soil, covering unlimited deposits of valuable minerals, huge areas of green forests, an almost inexhaustible supply of usable water, and an abundance of wildlife,

WHEREAS, these vital resources must never fail to serve the necessary demands of a progressive people in industry, business, agriculture, labor and individual human welfare,

WHEREAS, this annual observance offers the opportunity for the people of Ohio to renew their interest in the vital importance of conserving and restoring, wherever possible, the natural resources of soil, water, forests, minerals, and wildlife through the conservation education program in our schools and community activities throughout Ohio, sponsored jointly by the State Department of Education and The Ohio Division of Conservation and Natural Resources,

WHEREAS, Conservation Month will tend to emphasize the need for proper land use and well-planned restoration measures that Ohio may continue to hold an important place in the power and might of America in either war or peace,

NOW, THEREFORE, I, Thomas J. Herbert, Governor of the State of Ohio, do hereby proclaim and designate the week of April 21 to April 25 as Conservation Week in the schools of Ohio, and Friday, April 25th as Arbor and Bird Day and ask a general observance by all the citizens of the State of the entire month of April as Conservation Month.

the Governor: Thomas J. Herbert

Legion to Sponsor Magic Show

On Tuesday, April 29, at the opera house the local post of the American Legion will sponsor a magic show.

Howard, master magician and illusionist, Hillsboro, will give a two hour show beginning at 8:15.

The proceeds will be used on the local park project.

Red Cross to Hold First Aid Classes in Xenia

Lee W. Funk, Jr., American Red Cross field representative, will conduct a first aid instructor training course in the Greene county chapter in Xenia during the week of April 21.

Classes will be held in the Chapter House, 116 West Second street, Xenia, Monday through Friday, from 7 to 10 p. m.

Candidates for the class must be 20 years of age or over and must have previously completed the standard and advanced courses in first aid, or held instructor's appointments, which have expired.

Interested persons who are qualified to take the training, are urged to contact the Red Cross Chapter House, 116 West Second street, Xenia—by letter of phone, 923.

Candidates who successfully complete the training will be eligible to teach classes in Junior, standard, and advanced first aid courses.

Petitions Being Circulated for County Hospital

Petitions asking county commissioners to consider favorably the submission of a hospital bond issue to the voters have been placed in the hands of many citizens throughout the county by the Greene Memorial hospital committee.

At a committee meeting at Xenia, Tuesday night further plans for bringing these petitions before the people were discussed. The petitions are designed to influence the board of commissioners to a favorable action and to indicate to them a generally favorable support throughout the county.

In addition, signers are asked to make a contribution to a fund to finance preliminary phases of will include the retainer fee for an architect, yet to be determined upon, and the cost of preliminary drawings and an exterior perspective to be used in promoting the actual vote campaign.

The petitions are already in the hands of members of the Greene County Medical society and are being channelled also through civic clubs and other organizations in all parts of the county. A particular effort to obtain a strong testimonial of support in this manner from the Bath township area will be undertaken under plans decided upon at Tuesday night's meeting.

Chairman Sam Davis announced at the meeting that Arnold Skelly has been named to direct publicity features of the campaign. Ray Ashbaugh, Miami township member who was on the committee to nominate four trustees to handle the preliminary funds, withdrew from the committee because of personal reasons at Tuesday's meeting, and S. O. Liming, county superintendent of schools, was named in his place.

This committee is to bring in nominations of four possible trustees to be acted upon by the hospital committee. This quartet will serve with Dr. W. A. Hammond, treasurer of the committee, in administering the finances of the campaign preliminary to the bond vote. If the bonds are acted upon favorably, trustees named by the county commissioners will take over the actual building work.

Volunteer financial assistance Continued on Page Four

Charge Reds Flourish at OSU, Antioch

Testimony that communistic activities flourish at both Ohio State university and Antioch college, Yellow Springs, was being studied by the senate education committee.

The testimony was presented during a committee hearing on a proposal by Sen. I. E. Baker (R. Phillipsburg) for an investigation of alleged un-American activities in schools and colleges throughout the state.

H. W. Binger, Dayton, well known in Greene county as treasurer of the United Farmers of Ohio, said at the investigation that Antioch college has on its faculty an instructor identified by the Dies committee as an active Communist and asked that the school be included in any investigation.

Mr. Binger said the professor served as chairman of the Communist Party of America in 1919 and has been named by the Dies committee as one of the leading Communist in the country.

LEGION TO MEET

The regular bi-monthly meeting of the local American Legion post will be held next Thursday evening at the Masonic lodge. Aside from the regular business meeting, there will be entertainment.

Progressive Club Discusses Park At Meeting

The members of the progressive club heard the report of P. J. McCorkell concerning the park project at the regular monthly meeting of the organization at the Old Mill Camp Monday evening.

Mr. McCorkell reported on his trip with Edwin Bull to Columbus to see if any state aid would be available on the park which is being sponsored jointly by the American Legion and the Progressive club.

The two local men visited both the state conservation department and the state highway department and learned that little, if any, help would be available from the former, but were given some encouragement from the latter department.

Mr. McCorkell also reported that the local softball commission had decided to repair the softball park at the high school and to use it at least for this year in order to raise the necessary money to move it to the new park. He stated that while extensive repairs were needed at the present site the amount would be far short of what would be needed to move it. The money thus raised could be used to hire someone to operate the park program, the junior youth and baseball, and still net some money.

Larry Weimer, Dayton, and his nephew, Robert Weimer, met with the club and explained they were considering Cedarville as the location for a sorghum mill which might also be expanded into the making of alfalfa meal, or some similar product.

George Gibson, Xenia, also met with the local club extending an invitation for the organization to investigate the possibilities of becoming a Kiwanis club.

Rev. William Waide reported to the club that letters had been written to the various women's organizations of the village to appoint a member to serve on a committee to coordinate the activities of the community. The other men's organization are also to be contacted.

Treasurer Edwin Bull reported that after all expenses were paid the minstrel which was sponsored by the club showed a net profit of \$86.08.

Harry Hamman, member of the auditing committee, reported a balance on hand at the beginning of this year of \$75.86. The balance at the beginning of last year was \$548.45 and total receipts and balance for the year \$1,504.97. From this money \$700 was spent for the purchase of the land at the park while the remainder of the money spent went to various community activities.

The club voted to meet next Tuesday evening at the park to discuss plans for the project. The meeting is scheduled for 7 p. m.

The Editor...Edits

The dopsters have it that the phone strike is to be over sometime before the week is out. We don't know why but it seems to have effected the number of calls here in town even with the dials. Guess maybe because people can't use the long distance lines they don't even try to use the local ones.

Did you see the pictures of Reynolds (the hall pen manufacturer) in the papers the other day as he was checking over the route of his round the world flight? He must have had a dozen of those pens of his in his pocket. We don't imagine that he can even get them to work for him.

Harry Hamman forgot his specks Monday night when he went to Progressive club so when he got up to read the report of the auditing committee he borrowed a pair—they seemed to have worked all right—at least he got it read.

There's snakes across US 42 just on this side of Xenia, at least that's what we thought they were when we saw the first one. Must be a part of the traffic check they are making in Xenia. The other day in Xenia a fellow was going along in front of the court house writing down the license numbers of the parked cars—thought he was getting a list of numbers to play—but he must have been part of the survey they were taking at the time.

On the streets of Xenia Tuesday morning we met more Cedarville people than we see on the streets here.

Ira Vayhinger lost out in the election of directors for the Xenia Rotary club Tuesday by the flip of a coin. The college prexy and Sam (Dayton Daily News) Huston were tied for sixth place on the board and the flip of a coin settled the issue. (Moral college presidents shouldn't gamble.)

Karl writes from Fort Worth, Tex., where he attended the National Editorial association convention, that they had a good meeting. They left Sunday for the Gulf cities and the cattle country along with some 500 other publishers. He and Mrs. Bull plan on visiting the tornado devastated area on their return trip.

The American Cancer society sends this along for us to ponder over:

According to the U. S. census bureau, in 1900 cancer ranked sixth among death-dealing diseases while tuberculosis was rated first as national killer. It was pointed out that by 1943 due to organized educational campaigning and eternal vigilance on the part of an awakened populace and the medical profession, tuberculosis had dropped back to sixth place, while cancer steadily increasing, had risen to the position of the second most frequent cause of death. Heart disease stood in first place. The American Cancer society's program is aimed at reducing this appalling death rate and eliminating cancer as a major killer.

There seems to be a little misunderstanding about there only being one license plate next year. According to the state registrar of motor vehicles there will be two plates and the reason that bill is before the legislature is so that if there is not enough steel to make them, it will be legal in Ohio to have only one.

OUT OF THE BIG ROUND FILE—Seems like there was tons and tons of mail this week but nothing worth mentioning that hasn't been put in the paper.

DUSTY MILLER Writes Patter

A straight line is the shortest distance between two points, but between two people often the shortest distance is between "I do" and "adieu."

If older folk spoke the real truth the biggest complaint they have about the younger generation is that they no longer belong to it.

It's amazing the things a person can learn after he thinks he knows everything.

Definition: Truth—the only

thing you don't have to remember what you said.

The purpose of language is to express ideas, but with some folk it is used to conceal ideas.

"A free press," doesn't mean publishers paying 8 cents a pound for 2-cent newsprint paper can do it for nothing.

Plenty of men's shirts now, they say, but at the price they are quoted if a fellow buys many he'll lose his.

Among the great many nice things about the Cedarville Herald is that its readers don't have to read a dozen columns a day about "Leo the Lip" being fired, and "Darling Frankie Sinatra's" alley fights.

In a west Virginia village the other day I ate an apple that had been buried, "tater-hole" fashion, all winter. Its taste stirred memories that some of you will understand.

In addition to teaching the world its biggest lesson in mass production, Henry Ford proved that a man's capacity to serve can be greatly enhanced by money. Very few people use money to make the world better. Henry Ford did.

Somehow all these headlines from Jerusalem seem sacrilegious.

Old-time farmers who made a "few sugar molasses" on the side and sold "them" for 50 cents a gallon, would be afraid to bite into a maple taffy stick made from \$8 a gallon syrup.

Isn't it surprising the small number of really necessary telephone calls?

Who among you has not grabbed the telephone a hundred times, suddenly to realize that that kind of calls can't be made?

You've taken time out to be grateful, haven't you, that Cedarville has the most modern kind of telephones?

Proving again that things are not always what they seem, Ohio is to have a bumper wheat crop, though there was a time in late winter when observers judged the prospects quite poor.

Along the Greene County Farm Front

By E. A. DRAKE
County Agricultural Agent

FARM FORUM APRIL 28

Guy Detrick instructor in social science in the Bath Township School will be the principal speaker at the Greene County Farm Forum Monday evening April 28 at Geyer's Banquet Hall Mr. Detrick's subject will be "The Cave Man and His Children".

The Bath township committee is in charge of the program. Committee members are: R. E. Crone, Chas. Armstrong, Harry Trolinger, Edwin Wilson and Howard Young. Music will be furnished by the Bath Grange Quartette.

GET MORE MONEY FOR BUTTERFAT

Dairymen will hear how they can get three cents a pound more for butterfat when they attend the Quality Cream Meetings at Xenia May 6 and at Jamestown May 7. These meetings will be held at the High School at 8:00 o'clock and will show how better quality cream can be produced.

Cream buyers will be a little more particular this year than in the past few years about quality of cream because the amount of milk and cream available is catching up with the demand.

Buyers will pay three cents a pound more for butterfat in grade 1 cream than for that in grade 2 cream. The quality of cream is determined by straining a sample through a cotton disc and noting the amount of sediment on the disc.

PLENTY OF NITROGEN IN SOIL

There is a good supply of nitrogen available in the soil this spring, according to a survey made by the Ohio Agriculture Experiment Station. The survey represented all sections of the state and they found there was on the average more than thirty parts of available nitrogen per million.

In light of these results they concluded that wheat will make rapid and rank growth this spring. Also it is one of those years when top dressing of wheat with nitrogen fertilizer will not pay.

FERTILIZER IS A GOOD INVESTMENT

Farmers can well afford to make liberal use of fertilizer this year since the price of fertilizer has not kept pace with rising feed costs. Agronomists recommend 0-14-17, 2-12-6 or 4-12-8 for corn and oats on land which has not been manured and 0-12-12 3-12-12 or 4-12-8 on those crops if manure has been applied.

Tests show fertilizer can be used profitably on oats at a rate of 300 to 500 pounds per acre except on ground where oats are likely to lodge. At least 150 pounds should be applied to corn planted in hills and 250 to 300 pounds per acre on drilled corn.

Established alfalfa needs 250 to 300 pounds of 0-14-7 if the land

has been manured regularly or 400 to 500 pounds of 0-12-12 where little or no manure has been used on crops preceding the alfalfa.

TERMITE SWARMING SEASON
Swarms of "flying ants" are

emerging at this season of the year from floors, porch steps, basements or other parts of homes that are infested with termites. The appearance of these swarms is proof that termites are at work destroying the timbers of the buildings.

The winged termites spread to other parts of the property or may fly a considerable distance to find a new home where they become full-fledged termites and start the cycle of destruction all over again.

PRODUCE PIGS FREE FROM PARASITES

Protection of pigs from internal parasites is one of the most important points in a plan to make a profit from raising pigs. Since infestation is most likely to occur when pigs are less than eight weeks old the farrowing pens should be clean and sows, and pigs should be put on clean pasture within ten days after the pigs are farrowed.

Coughing is one of the first symptoms of the presence of internal parasites when the tiny parasites live a few days in the pig's lungs. Later symptoms are a dry, harsh skin, rough hair, distended abdomen and shrunken eyes.

A good feed of skim milk once in two weeks is one control measure recommended. Many feeders are finding sodium flouiride effective in removing roundworms.

GOOD PRICE OUTLOOK FOR SOYBEANS

Good prices for the 1947 soybean crop are foreseen since the government support price and the world shortage of fats and oils are heavy props under this year's profits from the soybean crop.

The government asks for a 38 per cent increase in soybean acreage. High prices of soybean seed will result in more beans being planted in rows twenty-two to twenty-four inches apart. The most popular varieties are Lincoln, Richland and Earlyana.

HOME GARDENS STILL NEEDED

Home gardeners this year can alternate food production with time spent on flowers and shrubbery and have a clearer conscience than during the war years when all the gardening time was needed to help out the world's food supply.

The home gardener has a big advantage in preserving vegetables either by canning or by freezing because the vegetables can be harvested in small lots at the peak of their quality and popped into cans or lockers before the food deteriorates.

Supplies of garden seeds are adequate and gardeners will be able to find fertilizer to improve yields. However, the vital factor producing a successful garden is the person who plants and tends it. Neither seed nor fertilizer will kill weeds, fight insects, or water plants.

Damages Asked In Accident Case

Basing his \$254.11 damage claim on an accident near Zimmerman on the Dayton pike last Dec. 10, Antonio Anticoli, 112 Beverly place, Dayton, has filed suit in common pleas court against Marley John Huffman, Xenia, R. R. 4.

According to the petition, filed by Jacobson and Durst, Dayton law firm, Mr. Anticoli's auto was damaged to the extent of \$204.11 and its temporary loss deprived him of earnings of \$50 after the mishap. Mr. Huffman was owner and driver of a one-and-a-half-ton truck which was involved in the mishap.

Unless we act, one in every eight living Americans will die from cancer! Guard yourself and those you love! Give to conquer cancer!

NOTICE OF PUBLIC SALE

In pursuance of an order of the Probate Court of Greene County, Ohio, I will offer for sale at public auction on the 26th day of April, 1947, at 10:00 o'clock a. m., at the West door of the Court House in the City of Xenia, Ohio, the following described real estate, to-wit:

Tract 1: Situated in the Village of Cedarville, County of Greene, State of Ohio, and bounded and described as follows: Being Lot No. Four of the Cedarville Realty Company Addition to the Village of Cedarville, Ohio, and located on the Northeast corner of Main and Maple Streets in said Village and being the same real estate conveyed by the Cedarville Realty Company to Lucy J. Barber, Executrix of the estate of W. H. Barber, deceased, dated July 18, 1935, and recorded in Volume 156, page 66, Greene County Deed Records.

Tract 2: The following described real estate: Situated in the State of Ohio, County of Greene, and in the Village of Cedarville, and bounded and described as follows, viz:

(a) Beginning at a stake in the Columbus and Xenia Turnpike road; thence along the center of said road in a north easterly direction 15 poles; thence in a north westerly direction 17 1/2 poles to a stake in the center of Oak Street; thence in a southeasterly direction with the line of H. D. Clines lot 11.09 poles to the beginning. Containing (32) One Half Acre more or less. Being the same premises quit claimed by Margaret Agnes Tarbox to Lucy J. Barber by deed dated August 17, 1929, and recorded in Volume 146, page 814, Greene County Deed Records, and one-half interest to W. H. Barber by Lucy J. Barber by deed dated in 1931 and recorded in Volume 149, page 178.

(b) A lot of ground conveyed to Hiram Cline, deed by Thomas Ireland on the 21st day of June 1838. Beginning at a stake north-easterly corner to the town of Milford (now Cedarville) as originally laid out and running thence S. 1/2 E. 7.7 poles to a stone in the edge of the Columbus road; thence with the edge of said road N. 81° E. 2.8 poles to a stone; thence N. 33° E. 2 poles to a stone; thence N. 48° W. 8 poles to the beginning. Containing 11 square poles.

(c) The lot of land conveyed to said Hiram Cline by John Orr Sr. on the 17th day of November 1855 and part of same Survey and adjoining the lot first described: Beginning at the westerly corner of a lot near the Xenia, South Charleston and Jefferson Turnpike road; thence N. 81° E. 4 poles to a stake in the middle of said road; thence N. 46° E. 2 poles to a stake in the middle of said road; thence N. 45° W. 2.4 poles to a stake in North Street; thence S. 15° 45' E. 11.1 poles to a place of beginning. Containing 44.68 poles, both together making 3-8 of an acre.

Being the same premises conveyed by W. H. Barber to Lucy J. Barber by deed dated May 7, 1931, and recorded in Volume 149, page 177, Greene County Deed Records.

Except from the foregoing tracts a tract of 3-8 of an acre and a tract of 13-100 of an acre conveyed by Lucy J. Barber and W. H. Barber to the Village of Cedarville, Ohio, by deed dated December 4, 1934, and recorded in Volume 152, page 434, Greene County Deed Records, for purpose of widening street and road.

Tract No. 1 is situated Northeast corner of S. Main and Maple

Streets in the Village of Cedarville, Ohio. Tract No. 2 is located on the West side of Route 42 between North and Chillicothe Streets in the said Village of Cedarville, Ohio.

Said premises are appraised as follows, Tract 1 - \$2500.00, Tract 2 - \$4500.00 and must be sold for not less than two-thirds of said appraised value.

Terms of sale: 10% cash on day of sale and balance in cash within 15 days upon confirmation of sale by the Court.

Said sale is made by order of the Probate Court in the case of J. C. Townley, Administrator de bonis non with the will annexed of the estate of W. H. Barber, deceased, Cedarville, Ohio. (3-28-5t-4-24)

MISS KNOTT SPEAKS AT DAR MEETING

"Know Ohio" was the subject of a talk by Miss Mabel Knott at a meeting of Cedar Cliff Chapter, Daughters of the American Revolution, Saturday afternoon at the home of Miss Mary Knott, near Clifton.

Speaking of Ohioans as "typical Americans" since they have been drawn from all over the country, Miss Knott mentioned the state's excellent school system, including forty-eight colleges, and pointed out that Ohio has furnished seven Presidents of the United States.

Two vocal solos, "A Poor Man's Garden" and "The Old Road" were sung by Mrs. William Laferty. Mrs. M. J. Bahin, regent, presided and Mrs. Walter Condon, chaplain, led the ritual and pledge of allegiance which opened the meeting.

Plans were made for Memorial Day services in which the chapter will cooperate with the American Legion. Mrs. Fred Townsley, Mrs. Anna Wilson, and Mrs. R. T. Williamson were chosen members of the Memorial Day committee. The flower committee consists of Mrs. I. C. Davis, Mrs. Robert MacGregor, Mrs. M. J. Bahin and Mrs. Donald Kyle.

A dessert course was served by the hostess to twenty-five members. Assisting her were the Misses Ella and Bertha Knott, Mrs. Leo Anderson, Mrs. M. J. Harris and Mrs. J. H. Harris.

HOLD INSPECTION

Cedarville chapter No. 418 OES held inspection Monday at the Masonic hall. Deputy Grand Master Elmer D. Brown of Urbana was inspecting officers. Guests from 18 chapters of several other cities were present. After the inspection refreshments were served.

TEA FOSTONED

The tea which the home economics department of Cedarville high school is giving for the members of the Research club has been postponed from Thursday until next Wednesday afternoon at 1:30.

ATTEND CONFERENCE

Mr. and Mrs. M. C. Charles together with Mr. and Mrs. H. O. Hooton of Springfield attended the general conference of the RLDS church at Independence, Mo., last week.

VISIT IN CEDARVILLE

Mrs. Fred Furnas and niece, Vivian Michael, of Jamestown spent Monday afternoon with Mrs. Alva Chaplin.

SUPPER GUESTS

Miss Peggy Ellis of Xenia and John Garvie of Dayton were Sunday supper guests of Mr. and Mrs. Earl Chaplin.

Mr. and Mrs. Wilbur Wiscup had as their guests Saturday, Mrs. Wiscup's sister and brother-in-law Mr. and Mrs. Elmer Schanbacher of Chicago.

TUCKER-BROWN

Marriage vows were exchanged by Miss Anna Brown, and Joseph Tucker, in a ceremony solemnized by candlelight in the Friends church, Jamestown, last Friday evening.

The bride is the daughter of Mr. and Mrs. L. M. Brown, near Xenia. Mr. Tucker is the son of Mrs. Lavona Tucker, Xenia.

The double ring service was read by Rev. C. A. James, pastor of the church.

Preceding the ceremony, Mrs. Delmar McCoy presented a thirty minute program of organ music. Miss Hazel Chaffin, Jamestown, was soloist.

Mrs. Morgan McDowell, sister of the bride, was matron of honor. Mary Alice Brown, another sister of the bride, was flower girl. Keith King, cousin of the bridegroom, served as ring bearer.

The bride, given in marriage by her father, appeared in a gown of candlelight satin designed with a fitted bodice of Chantilly lace with a sweetheart neckline and long, fitted sleeves tapering to points over her hands. The full skirt extended into a wide, circular train. Her fingertip veil was held in place with a tiara of orange blossoms and was edged with lace. She carried a white Bible topped with a corsage of gardenias. White satin streamers, caught with freesia and hyacinths, extended from the corsage. Her jewelry was a cameo locket which belonged to her great-grandmother and had been worn by several brides in the family.

Mr. Douglas Huffman, Springfield, served as best man. The ushers were Charles F. Brown, brother of the bride, and John William Fudge, cousin of the bridegroom.

Following the service, 100 guests attended a reception at 27 E. Second St., Xenia, where the couple will be at home after a wedding trip.

Mrs. Tucker is a graduate of Silvercreek high school. Mr. Tucker was graduated from Cedarville high school and is employed at Dayton.

HOME CULTURE MEETS

"ART" was the program theme when the Home Culture Club met at the home of Mrs. Walter Cummings, North Main street, Tuesday afternoon with Mrs. Charles Baldwin (Lois Brown), Columbus, formerly of Cedarville, as guest speaker.

Mrs. Baldwin formerly taught art in the Piqua schools and at Ohio State university. She described various types of art ranging from oil paintings to sculpturing and illustrated her talk with several of her own paintings and a head of clay which she modeled.

Eighteen members and seven guests responded to the roll call by naming their favorite paintings. Mrs. Baldwin was presented a gift by the club.

A dessert course was served following the program and daffodils were given as favors. Mrs. Harold Reinhard was program chairman, assisted by Mrs. C. E. Masters and Mrs. J. W. Collier. The club will suspend its meeting in May as it will join with other women's clubs of Cedarville in staging a May Festival of Music.

BROADCASTERS MEET

The Broadcasters class of the First United Presbyterian church held their first meeting of their new year Tuesday evening in the home of Mr. and Mrs. Raymond Williamson.

Mrs. William Waide was in charge of the devotionals. The president, Mrs. Paul Edwards conducted a business during which the new club programs were distributed.

The group enjoyed contests and games with prizes going to the winners.

Delicious refreshments of apple pie and ice cream and coffee was served by the hostess.

IN XENIA

Several ladies from Cedarville attended the Womens Presbyterial Tuesday which was held in the First United Presbyterian church, Xenia.

Mrs. James L. Chesnut and son, Donald, of this place, and Mrs. Robert Conley and daughter,

Have your drapes cleaned and ready to hang when you're finished with spring housecleaning. Try our service and you'll agree that it's tops.

CHAPLIN'S DRY CLEANERS
Residence Phone 6-2231

Kathryn, of Crystal City, Mo., were in Pittsburgh last week, where they attended the graduation of James L. Chesnut, Jr., from University of Pittsburgh medical school. Dr. Chesnut will intern at Medical Center, Pittsburgh, beginning June 1.

Mrs. J. W. Johnson left Monday for Olney, Ill., where she will visit Rev. and Mrs. Herbert Main and son, Paul. She was accompanied by Mrs. Willard Barlow and son, John, of Columbus.

Mr. and Mrs. William Clemans, who have been ill at the home of their son-in-law and daughter, Mr. and Mrs. Forrest Cullie, near South Vienna, have returned home where their son and daughter-in-law, Mr. and Mrs. Russell Clemans will care for them.

Mrs. Fred Engle entertained the local WCTU Wednesday afternoon.

Mr. and Mrs. Jack Giffin and two children, Covington, O., were guests of her parents, Mr. and Mrs. Ralph Townsley, Sunday.

Mr. and Mrs. Max Lynn, who have been attending McGill University, Canada, are visiting her parents, Mr. and Mrs. Ray Carzoo.

The condemned ate a hearty meal
THIS may be your nextdoor neighbor's table—or yours. Sooner or later, cancer may come to your house or his.
Every day, cancer sits at somebody's table. For cancer strikes—on the average—one out of every two American homes... one out of eight Americans is condemned to die of cancer unless we do something about it.
How can you help fight this disease?
One way is to see your doctor the minute any member of your family develops one of cancer's danger signals*.
Another way—a way in which you not only help guard those you love but bring new hope to thousands—is to join the fight to conquer cancer.
The April drive of the American Cancer Society is now on. Help this vast army of workers drive cancer from our midst. Give so they can pay for more research. Give so they can buy more equipment to ease suffering, restore hope. Give so they can find a cure for cancer—a cure that some day may save a life in your own home.
And give generously, won't you? Let's stop fearing cancer—let's conquer cancer!
***Cancer's Danger Signals**
1. Any sore that does not heal... particularly about the tongue, mouth, or lips.
2. A painless lump or thickening, especially in the breast, lip, or tongue.
3. Bloody discharge from the nipple or irregular bleeding from any of the other natural body openings.
4. Progressive change in the color or size of a wart or mole.
5. Persistent indigestion.
6. Persistent hoarseness, unexplained cough, or difficulty in swallowing.
7. Any radical change in normal bowel habits.
Give Often
Guard those you love—GIVE
to conquer cancer

The young people will meet at seven-thirty and the topic the Christian's use of money.

CLIFTON

Ten women of the Clifton United Presbyterian Church attended the Presbyterian Women's convention in the First Church Xenia last Tuesday. The main speakers on the program were Mrs. Turk of the Sudan and Rev. Clinton M. Marsh of Indianapolis Ind. The meeting was attended by about one hundred and seventy-five women.

The session of the United Presbyterian church will meet in regular session next Wednesday evening.

Mrs. Mary Tobias who is sick at her home and confined to her bed most of the time.

The meeting of Xenia Presbytery was held in the Reynoldsburg, Ohio United Presbyterian Church last Monday. Dr. John W. Bickett was the retiring moderator. Mr. David C. Bradfute of

the Clifton church gave the address and following it he was elected moderator of the Presbytery. Mr. Bradfute is the first layman to be elected to this office. He presided with dignity and honor.

Mr. John Collins was business visitor in Columbus last Monday. Miss Charlotte Collins fractured a bone in her right ankle last week while attending a skating party. It was necessary to put it in a cast. She will be detained several days from returning to Bowling Green, Ohio where she is a student in the Teachers Training college.

PETITIONS BEING

Continued from Page One is sought and Greene counties friendly to the hospital proposal (a 100-bed institution to be erected in a county now without public hospital facilities) are asked to mail checks to Dr. Hammond at the W. A. Hammond Drierite Co., Dayton avenue, Xenia.

Auto Dealer Surrenders In Springfield

A 36-year-old Fairfield auto dealer, object of an extensive police search since early March in connection with allegedly writing bad checks which may total as much as \$150,000, surrendered voluntarily to the Clark county sheriff in Springfield last Thursday, forty-eight hours after his wife was taken into custody on a similar charge.

The dealer, Harold M. Lawrence, operated the Lawrence Motor company in Springfield and Fairfield and was said to have left behind many bogus checks when he disappeared on a Florida "vacation" several weeks ago.

Lawrence is in jail at Springfield, accused in two warrants with passing \$15,100 in bad checks. Police Chief Elias Quinn of Fairfield said a check of bank records indicated Lawrence had passed enough worthless checks to total between \$100,000 and \$150,000 for payment of used cars in Ohio, Indiana and Michigan.

The dealer, is accused specifically in a warrant sworn out by the First Discount company of Springfield of writing \$11,000 in bogus checks.

A second warrant, filed by the Boyd Motor Sales company of Port Wayne, Ind., accused him of paying for used cars with \$4,100 worth of bad checks.

The First Discount corporation won a cognovit judgment for \$64,334 in Clark county and repossessed sixteen automobiles and one truck from Lawrence showrooms. They will be offered at a sheriff's auction April 21.

The First National bank of Osborn won a judgment for \$8,060 in Greene county common pleas court last week against the dealer and his wife and several co-signers of a promissory note.

SHARE IS \$67,867

Greene County will receive \$67,867.20 as its share in the initial distribution of \$11,425,952 in auto license fees to Ohio counties and municipalities which was started Monday. Edward T. Fogo, state registrar of motor vehicles, said this year's first distribution is the largest in the history of the bureau, exceeding last year's first distribution by \$1,500,000.

1948 Tags to Be Black on Yellow

Ohio auto license plates for 1948 will be lemon yellow background with black numerals, it has been announced by Edward T. Fogo, registrar of Motor Vehicles.

Mr. Fogo stated there has been considerable misunderstanding with respect to legislation passed in the senate and pending in the house of representatives providing for one license plate. There is no intention, Mr. Fogo stated, of going back to one license plate next year unless it is absolutely impossible to secure the necessary amount of steel in the required gauge for plates.

The order for 1948 plates, which are manufactured at the Ohio penitentiary, has already been placed for two tags for next year. The pending legislation is merely to provide that it would be legal to return to one plate if material could not be obtained for two license plates, Mr. Fogo explained.

Liquor Rationing Ended Saturday

With wartime liquor rationing finally at end, some 12,000 to 15,000 persons in Greene County celebrated by tossing away their ration cards over the weekend.

James E. Siders, manager of Xenia liquor store, said no exact figures were available at this time on the number of persons who were issued ration permits by that store. However, he estimated the number granted.

All liquor rationing ended Saturday although controls on some brands had been relinquished several weeks ago.

Jurors to Be Drawn Saturday

Drawings for the May term common pleas court jury venires will be conducted Saturday by the county jury commission at the court house.

According to a court order, the commission will first draw fifteen names, which will comprise the grand jury, and about twenty-five more for petit jury service.

NEW GAS RANGES
are coming to
transform your kitchen

20 DIFFERENT MAKES WIDE CHOICE OF SIZES AND STYLES...

Happy days will soon be here again for women who need new gas ranges. A greater variety of new models can now be seen in dealers' displays—and some on trucks going out to lucky kitchens. They have all the modern features good cooks have been waiting for, plus "Certified Performance."

Never has there been a greater variety of top burner arrangements: grouped at side or center, staggered, divided or four-in-line—and for larger households, six and eight burner models. When you find the size and style you like best, look for the "CP" seal in addition to the brand name. It is your assurance that your new gas range meets the rigid safety, efficiency and convenience standards that mean "Certified Performance" through the years.
